Eugene,

I spoke with our insurance broker and she confirmed that the information was entered into track4la system on February 9th, 2018, Certificate Approval (CA) #131679.

Attached is a pdf of the confirmation generated by the system.

Can you double check to see if there is a glitch in the system that may be causing LANI incorrectly display as noncompliant with the insurance requirement?

Thanks,

Moises Gomez

Moises,

Our records indicate that the BID's directors and officers insurance expired on 10/1/17 and we do not have a certificate on track4la that shows otherwise.

Hi Eugene:

Darin is no longer with LANI. Moises Gomez is his replacement and is copied here. He will be able to work with our insurance broker to provide the updated proof of insurance.

Thank you!
